

AiM (Advocates in Motion)

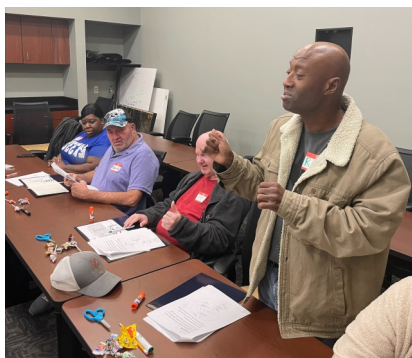

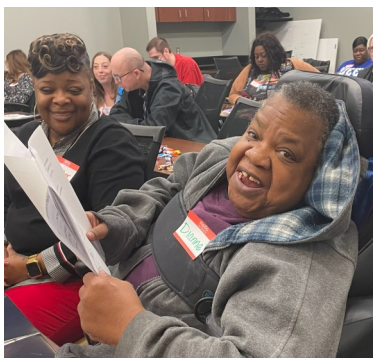

DIDD Leaders, AiM Trainers, individuals and their support teams meet to discuss strategies for self-advocacy and planning for the lives they want to live.

Ontrell recognized his desire to become a trainer and help others find their voice after attending the session which emphasized “Speak Up & Speak Out” as a means to create a plan for your life.

He is implementing action steps to reach his personal goals. We are very proud of Ontrell’s efforts to guide the direction of his life and help others do the same.

ADVOCATES IN MOTION

Ontrell recently made his first presentation as an AiM Trainer.

Finally!!! It's Springtime!!

Except for a little over a week or so, the winter weather has not been too bad, but it is always an exciting time of the year when the weather starts to warm, daylight savings time and the flowers and trees begin blooming! In a way, it always feels like a new start!

Many great things are always happening at MHDS and this Spring is no different. Finished (at least for now) with all of the renovation at our Conrad Drive Campus, we'll be hosting an Open House on May 10th.

One of the best thing for me personally, is the Spring Banquet! It is an event that I have looked forward to every year, for over 45 years! This year it is on Friday, April 26th. Looking forward to seeing all of the smiling faces and listening to our favorite band!

Please find details for both events below. Hope this is one of your best Springs ever!!

Thanks for all you do for OUR Agency!

Comments from Persons Supported Families

"Dan has had the privilege of your care and oversight for many years. His life could not have been in better hands given the circumstances and need for continuous care. Thank you for all that you do and have done. Having briefly seen your new office complex, you are poised to continue the good work long into the future."

David and Dale Parkinson

"I took my sister to see her doctor but all he wanted to talk about was how lucky I was to have my sister with MHDS."
